Single Egress Construction - P/Ts Working Group 2nd meeting
National Research Council (NRC) Meeting

9 September 2024
10:00am to 12:00pm EST

Remote via MS Teams

Invitees:

- Abdelkrim Habbouche, Jonathan Stone, Eric Nei, Bruce Adair, Leonard Uku, Michael Heitshu, Hiba Siddiqui, Troy Clarke, Kevin Harding, Peter Wotherspoon, Andrew Wentzell

NRC

- Ahmed Kashef, Gian-Luca Porcari, Max Kinateder

OBJECTIVE: The objective of this meeting is to continue the discussion on the NRC research project on the topic of 'single means of egress in multi-unit residential buildings' and to receive input from the P&Ts. NRC will share all relevant information and documents prior to the meeting.
